4. Middletown Township Celebrating 350th Anniversary with a Gala, a Parade and a Time Capsule Burial June 20-21 MIDDLETOWN – Middletown Township is dedicating the third weekend in June to celebrating the township's official founding 350 years in 1664. This jam-packed weekend features a formal gala, parade and burial of the Middletown 350 time capsule.

The festivities begin on Friday, June 20th at the Middletown 350 Anniversary Gala. This formal evening will be held from 7-11 pm at the Middletown Arts Center. Tickets are \$85 and include two glasses of wine or beer, dinner, dancing, a preview of the Middletown 350 Time Capsule, casino tables, and more than more 30 prizes

donated by local businesses. Tickets can be purchased at www.middletonarts.org or in person at the Middletown Arts Center, 36 Church Street. Call 732-706-4100 for details.

The Middletown 350 Parade and Time Capsule Celebration begins with a parade on Saturday, June 21 at 11 am at Middletown High School North, 63 Tindall Road. Hundreds of friends and neighbors will show their hometown pride by marching 1.6 miles along Tindall Road and across Route 35 into the oldest section of township, Middletown Village. The parade then continues along historic Kings Highway and down Church Street to Middletown Arts Center, 36 Church Street. On-line parade registration is closed. Call 732-615-2260 for information.

After the parade, a brief ceremony will be held on the lawn adjacent to the Middletown Arts Center to mark the burial of Middletown 350 Time Capsule. The ceremony is part of the Time Capsule Celebration. This family-friendly celebration begins at 11 am on the Arts Center lawn and includes live entertainment and children's activities. Food, drinks and snacks will be available for sale.

Free parking for the Time Capsule celebration will be available in the main parking lot at the Middletown Train Station. Please remember that the parade route will be closed to traffic as it travels along Tindall Road, across Route 35, to Kings Highway and Church Street. Motorists are encouraged to seek alternate routes late morning and early afternoon.

The 50-year time capsule will be surrounded by an "Anniversary Plaza" designed with personalized bricks. Donors who purchase a brick will have their special message be part of this beautiful plaza for years to come and also will help the Middletown Arts Council continue its mission of bringing enriching arts programming to the community. Those interested in purchasing a brick can download an order form at www.middletonarts.org or visit the Arts Center.

Whirl Construction is donating labor and equipment needed to install the plaza and assist with digging the hole for the time capsule. Marturano Recreation Company (MRC) is donating two benches that will be installed at Anniversary Plaza.

The Middletown 350 Committee reserves the right to cancel the Middletown 350 Parade and Time Capsule Celebration in the event of inclement weather conditions. In the event of inclement weather conditions, the Parade and Time Capsule Celebration will be moved to Sunday, June 22nd if weather conditions permit.

Visit www.middletonnj.org for a full list of Middletown 350 activities, memorabilia available for sale, and to learn more about the township's rich history.

5. OAK HILL STRAWBERRIES AVAILABLE AT CEDAR HILL FARM (Red Hill Rd, just before Dwight). Buy farm produce to preserve our open sites! When strawberries are available, you will see the Strawberry Lady (Agnes DeFelice) out on the farm and the gates will be open. Go early in case strawberries run out.

6. FUN TIME AT JUNE 6 FAMILY ASTRONOMY NIGHT

We had perfect weather and a good turnout under the stars. Weather was ideal! The S.T.A.R.(Monmouth County Astronomy Club) talked about sky objects, and allowed us to view with 4 powerful telescopes. Thank you, Karen Iturralde, for running this event!
