

Members, Oak Hill Community Association, (Oak Hill Update, May 14, 2015 rev2)

1. **CRIME WATCH PROGRAM** In light of recent burglaries in our neighborhood (3 in the past 3 months), the Oak Hill Community Association Board is exploring the most effective ways to assist in the prevention of future burglaries and other criminal activities. One of the options is to set up a crime watch program, which requires dividing the neighborhood into blocks with designated block captains. In addition to making the neighborhood safer, we believe that blocks can lead to increased interaction and socialization amongst the residents.

We would like your opinion as to whether or not you think a neighborhood watch program is something you value and therefore would support. Please respond to this email with one of the following statements by May 22:

1. Yes, I am interested in a Crime Watch program for Oak Hill with designated blocks and block captains.
2. Yes, I am interested in a Crime Watch program. I am also interested to be a block captain.
3. No, I am not interested in a Crime Watch program for Oak Hill.

2. **DONATE CHILDREN'S BOOKS** (to age 18) for NJ needy families, supported by "[Bridge of Books](#)".
